

What does *No Wait Mobile IT Support* mean?

NO MORE:

- Long Lines
- Poor Service
- Contracts
- Slow Response Time
- Slow Labtops/PC
- Loss Data

No Wait Mobile IT Support(NWMITS) should be labeled as the Consumer & Small business Game Changer. NWMITS provides real time technology support for home users and small business owners that require IT support without the hassle of contracts or subscriptions. Service when you need it, just call our dedicated support line to going. NWMITS is Technology Support when you need it.

BOTTOM LINE PRICING

*"Worried about high prices; NWMITS takes the guess work out. Our pricing starts at \$50 and will not exceed *\$399. Our bottom-line pricing ensures that our customers are not over paying for technology services.."*

Partners with Next Steps Educational Academy to provide technology careers to deserving high school and College Students.
